SEAI MEETING — OCTOBER 18TH

Please RSVP with entrée selection to Greg Leishman at Gregl@stapley.net or 375-8240 by noon the Monday before the meeting. We will turn no one away at the door, but if we do not receive your RSVP on time we cannot guarantee that there will be any food for you to eat! Please note that, regardless of whether you eat or not, you will still need to pay meeting fees, so get those RSVP's in! **Also, if you RSVP and decided not to show, Murphy's will still charge SEAI for your lunch and SEAI will politely pass this charge on to you.**

HAVE A SUGGESTION FOR A MEETING?

If you have any suggestions for future speakers, items of discussion or anything else that you think would be beneficial to the structural engineers attending SEAI meetings, please send your comments/ideas to Greg Leishman by email at Gregl@stapley.net or by phone at 375-8240.

STRUCTURES MAGAZINE!

As part of your SEAI membership you should be receiving **STRUCTURE® magazine** in the mail every month. If you are not, please verify that you have paid your SEAI dues this year and then send your name and mailing address to Sarah McClendon at sarah.mcclendon@mcm-eng.com

**2006 IBC ADOPTION**

The 2006 IBC has been adopted by the State of Idaho, and is effective immediately. However, it seems that local jurisdictions will have the ability to do what is in their best interests as far as code adoption/enforcement goes for the time being. The recommendation given by Mike Brown, our SEAI building code chair, is to contact the local

jurisdictions to determine which code they will be using for new projects.

SEA NORTHWEST CONFERENCE & WCSEA MEETING — SUMMER 2008

The 2008 Northwest Structural Engineers Association Conference will be held in beautiful Sun Valley, Idaho. Thank you to all of those who have volunteered, and if you are interested in volunteering please contact Chris Holladay at cholladay@ahjengineers.com to see which committees are in need of some extra assistance.

The Structural Engineers Association Northwest Conference and Western States Roundup are to be hosted by the Idaho Chapter during the summer of 2008. This event will be a three day conference combining SEA Board Meetings, technical programs, vendor exhibits, social events, and recreational events all hosted by SEAI. This is a well attended event that brings in structural engineers from Idaho, Washington, Oregon, and British Columbia. Keep checking the Newsletter each month for updated information.

LET YOUR MEMBERSHIP WORK FOR YOU!

Please feel free to contact our board members with ideas or suggestions for program/speaker topics or how SEAI can better represent the Structural Engineers of Idaho.

Engineering problems are under-defined; there are many solutions, good, bad and indifferent. The art is to arrive at a good solution. This is a creative activity, involving imagination, intuition and deliberate choice.
